UNIVERSITY of WISCONSIN Superior

Community Health Promotion

Admissions Office 715-394-8230 admissions@uwsuper.edu

UW-Superior's ***community health promotion concentration*** focuses on fitness, health and disease prevention. Students selecting this program often pursue public health careers, such as federal food inspector or sanitarian.

Find out more about UW-Superior's Community Health Promotion program online at www.uwsuper.edu/acaddept/hhp.

Degrees and Majors/Minors:

Major: Physical Education

- Community Health Promotion Concentration

What can you do with a degree in Community Health Promotion from UW-Superior?

The HHP major in Community Health Promotion is a comprehensive major that prepares the student to work with individuals, groups, and families in the worksite, university, nonprofit or governmental setting. In such, it provides a solid foundational program combined with certifications, and offers practical experience through an internship. Community Health Promotion majors can minor in Sports Management, Human Performance & Health Promotion or Coaching to enhance career opportunities.

The Community Health Promotion major leads to many community health fields such as:

- Nursing
- Corporate Trainer
- Drug and Alcohol Counselor
- Health Information Administrator/Technician
- Wellness Coordinator
- AIDS Educator
- Weight Management Specialist
- Personal Stress Manager
- Industrial Hygienist
- Hospital/Managed Care Administrator
- Community Health Educator
- Fitness Instructor
- Data Specialist
- Dietician
- Occupational Therapist
- Chiropractic
- Physician Assistant
- Mental Health Program Manager

Work Activities in Community Health Promotion might be to:

- Monitor health status to identify community health problems
- Observe and investigate health problems and hazards in the community
- Inform, educate and empower people about health issues
